

# PEEPS® Bunny Dips

**Gather your friends and make an instant party with PEEPS® marshmallow Bunnies, melted chocolate, chopped walnuts or pecans, shredded coconut, sprinkles, and any other favorite toppings! Dip in chocolate, roll in toppings, and enjoy!**

## Ingredients

PEEPS® marshmallow Bunnies  
1 (12 oz.) package of milk chocolate chips or melting chocolate  
1/2 cup chopped pecans, walnuts or other chopped nuts  
1 cup shredded coconut  
1/2 cup rainbow sprinkles  
Other toppings of your choice  
Parchment paper

## To Prepare

1. Melt chocolate according to manufacturer's directions.
2. Transfer chocolate to a bowl deep enough for dipping.
3. Let cool until comfortable to the touch and slightly thicker than when first melted. This helps the chocolate "cling" to the PEEPS®, and toppings "cling" to chocolate.
4. Hold a PEEPS® Bunny by the ears and dip bottom of Bunny in the chocolate. Allow excess to drip off.
5. Roll or dip chocolate-covered Bunny in favorite topping. Cool on parchment paper. PEEPS® Bunny Dips can also be made ahead of time. Arrange Bunnies on a festive platter and serve for all to enjoy!

**Please Note:** For reduced-sugar diets, substitute PEEPS® Sugar-Free marshmallow Chicks and sugar-free melting chocolate. You may want to eliminate coconut and sprinkles and substitute other reduced-sugar toppings.

**Warning:** Melted chocolate is hot. Parental supervision is recommended.
