

PEEPS® Party Dippers

There are few things more delicious than the combination of rich chocolate and fluffy marshmallow. For a sweet treat, gather your friends and make an instant party with PEEPS® Dippers!

Ingredients

2-3 packages of PEEPS® marshmallow Chicks
1 (12 oz.) package of melting chocolate

To Prepare

1. Melt chocolate according to manufacturer's directions.
2. Transfer chocolate to bowl for dipping.
3. Let cool until comfortable to the touch and slightly thicker than when first melted. This helps the chocolate "cling" to the PEEPS®.
4. Dip the PEEPS® in the chocolate and present on a plate for all to enjoy!

Please Note: For reduced-sugar diets, substitute PEEPS® Sugar-Free marshmallow Chicks and sugar-free melting chocolate.

Warning: Melted chocolate is hot. Parental supervision is recommended.
